 9.4K  2.4K

### From the Press Room:

*IOM to Launch International Recruitment Integrity System (IRIS) in Bangladesh (Posted: 02/12/19)*

## VOICE OF RETURNEE

"When I returned to my own country, nobody listened to me and I felt pain. But the project staffs were so empathetic where I could express my sorrows and grief. In consultation with project staffs, a tailor-made reintegration plan was developed for me. I always feel well mentally while I interact with the Prottasha project staffs."
